

Introduction:

The information and price lists contained within this document are strictly confidential. You are not permitted to copy, reproduce or disclose any of the information provided herein to any third party without our written approval.

VAT Information:

Prices DO NOT include VAT or where stated as Margin are not applicable for VAT

If you are Germany VAT registered, reverse charging will apply to orders over € 5000. Please be aware, we will need to see a copy of your VAT certificate in order to reverse charge. If stock is stated as Margin no VAT is applicable.

EU VAT registered customers do not have to pay VAT. Upon receipt of your VAT certificate your order will be stated with zero VAT rate. If stock is stated as Margin no VAT is applicable. If you set order, make sure we have your EU VAT ID.

Customers based outside of the EU do not have to pay VAT. All sales will be Net terms.

Any other detailed information, you can find at our website: www.xpresscell-telco.com/agb1.html

Pricing and Lists:

Trading with communication devices and their accessories is a very fast business. It can be happen, that pricing changes several times a week. In common, we update the lists weekly. The attached price lists just shows the pricing at the date the document was created. **Before you set any order, ask our sales department for possible price updates.** Prices shown inside the lists not contain costs for shipping and insurance. We send you the final price include all costs with a pro forma invoice.

Products, Sales & Stock

Our company works with over 300 customers worldwide. We can reserve desired goods for 48 hours only. We not hold stock longer than that time. Our stock at 3 different warehouse locations. For any order, we send you a pro forma invoice with confirmation of your order. (Mail) **First if you receive the documents, we have a deal!**

Some of the goods are import devices from our other departments or connected suppliers. We will inform you about the kind of stock if you interested in some of them. Xpresscell Telco can be responsible for hasslefree import proceedere, if you need that service. Ask us for more information.

If not stated different, used or refurbished devices described as HSO (Handset only) If you in need of retail boxes of these goods, let us know. We are be able to provide them for very good prices.

Some refurbished products may cheaper price than graded devices. **Thats not a mistake!** The difference results from currency converting or different price ranges inside european markets.

About notebook lists:
